

All Glories to Sri Guru and Gauranga

My Dear Gurudeva,

Please accept my humble obeisances in the dust of your holy lotus feet. Greetings from South Africa! Please accept this humble Vyasa Puja offering from the members of the Prema Shanti Sri Chaitanya Saraswat Math Nama Hatta.

Dear Gurudeva

O King of the Vaishnavas

We celebrate this day

Because you blessed this world

By appearing in it

We happy few

Are grateful to your grace

For your divine connection

Through time and space

We applaud your presence

Thankful for your kind direction

The tenor of your speech

The meaning of your words

Your gentle demeanor

Is an example

Of a paramahansa living the truth

And that too constantly

We feel our obeisances are not enough

Nor our meager offerings at your feet

Bereft of all pure intentions

All we can do is weep

But wait

We know we've come to the right place

For your actions always show

You always accommodating

Smiling face

Never judging

Never abandoning us to our fate

Forever gentle in guiding us

Leading us to Goloka's gate

The more eloquent among us

Say it better

Of your sublime acts and stature

Devotional service and nature

They speak of your dedication

To Sri Gurudev

Srila Sridhar Maharaj must be proud

And if nobody says it out

Your disciples do and loud

Dear Gurudeva we've seen what you
can do

Turn base metal into gold

From national to international

Independence to divine slavery sold

Falling at your lotus-like-feet

We praise your name

We sing your glories

And begin to tell the world your

fame

Many thanks for accepting us all
The children of this fallen age
And giving us Divine mercy
Through your Divine connection

Srila Bhakti Sundar Govinda Dev-Goswami Maharaj, ki jay!

Dear Srila Gurudeva,

My full dandavat pranams to you on your divine appearance day.

You are the personification of Srila Guru Maharaj's siddhanta. You live in this world simply to dispense your Gurudeva's mercy; that is, you keep nothing for yourself as the whole world worships your lotus feet. Only you can digest such adoration.

You are the pure medium for the Rupa-Sridhar line, and you add so much as an empowered super-personalist to this Guru-varga. You show what is service to the Lord, the Guru, and the Vaishnavas. You personally show what is real affection and what are the variegated methods of etiquette to all souls to encourage them towards home comfort.

Lastly you emanate divine loving service in the highest quarter in the sweetest way, which is generally inconceivable but extremely relish-able to those whom you are granting entrance.

Let me pray to Lord Nityananda and Srila Guru Maharaj that I may serve your divine will unalloyed and forever.

Tarit Krishna das

Dearest Srila Gurudeva,

All glories to you on this most auspicious anniversary of your divine appearance in this world.

I offer my humble respects repeatedly with the prayer that you will never let me leave the shade of your lotus feet and the shelter of the divine mission of the Sri Chaitanya Saraswat Math.

Your grace is extending the world over, saving the fallen souls. Even as I wallow in a far off place under the illusion of my conditioning, just a moment's thought of your sweet smile or sweet embrace transforms my mind and senses, and I become enthusiastic to serve.

You are the holder of the current of Sri Rupa and the gatekeeper giving entrance to the divine service world. I pray that for the benefit of all the fallen souls of this world your health remains strong and your divine dispensation continues unchecked.

For over 55 years you have energetically distributed the divine nectar of Krishna Consciousness, and now that is appearing as a flood throughout this world. I pray that all your disciples may be swept up in that flood and their hearts overflow with Krishna-prema. And then they can distribute that nectar to this whole universe.

Again on this most wonderful day please accept my humble obeisances.

With love and affection,
Your fallen and insignificant servant,

Sadhu Priya das

Dear Gurudev,

Please accept my humble obeisances to your lotus feet.

Every day I understand more by your mercy that service to Vaishnavas is very important for spiritual advancement. So Gurudev, I humbly ask you to bestow your blessings upon me so I can accomplish that goal and be a good disciple of yours.

All glories to your glorious Vyasa Puja!

Sincerely,
Pranavallabha Dasa

All glories to Sri Guru and Gauranga

Srila Gurudev,

We offer our most humble dandavat pranams and wish you a celebration surrounded by many enthusiastic devotees.

We long to personally offer our respects and hope that you can meet our son, Radheya Yudhistira, who, although one and half years old, is very enthusiastic for Kirtana.

We beg for your blessings so we can have a sincere desire to serve and one day call ourselves devotees in fact and not only by name.

Thanks for all your great love and mercy.

Dear Sweet Gurudev,

Please accept this fallen soul's dandavats. It has been a while since I last wrote to you. Going back to your Vyasa Puja in 1992, there with you in Nabadwip, I don't think I could experience a more beautiful auspicious appearance day for my Sweet Father. I always cherish that day.

It was my first trip to India, and Krishna made it all very opulent and auspicious for me. My soul is crying to go back. I am praying this Grand Auspicious Day tickles your heart, brings a lot of warmth and is a day to remember for you, Sweet Father.

Love Always,
Sraddha Devi

My Dear Srila Gurudev,

Please accept our humble obeisances at your divine Lotus Feet.

On this most auspicious Holy Appearance Day of your Divine Grace we wish to express our sincere gratitude for showing us your mercy. Without your mercy we would be nothing. We consider ourselves very fortunate to have come under your shelter and continuous guidance, although we do not really deserve it. We pray that you may engage us in some appropriate way to serve Your Divine Grace.

Kindly forgive us for any wrong doings that we may have unknowingly committed. Once again our humble obeisances at Your Holy Lotus Feet. We wish you a Very Happy Birthday, and may Guru and Gauranga shower their Blessing upon Your Divine Grace.

All glories to Sri Guru and Gauranga

Jaya Gurudev! Please accept my most humble dandavats to the dust of your lotus feet. Thanks for giving me this valuable opportunity to offer a little service to you on your Vyasa Puja day.

Lord Krishna is very merciful in giving us the eternal association of a special Guru, who is Lord Nityananda Himself. I hope from the depths of my heart the best for Sri Chaitanya Mahaprabhu's Mission. I heard that an aspirant to pure devotion must not ask, but Gurudev, I cannot avoid it. I long for your blessings from the deepest part of my soul in order to some day make something for Mahaprabhu's Mission in Tijuana, Mexico, or wherever you desire according to your sweet will.

All glories to my Guru Maharaj!

All glories to all the Vaishnavas!

All glories to all devotees all over the world!

All glories to the Mission of Sri Chaitanya Saraswat Math all over the world!

Jaya Gurudev! Hare Krishna! I love you so much Gurudev.

The day of your appearance for the fallen souls in this material world is exactly like this verse that appears in the king of books – Sri Prappana Jivanamrta 5.17.

“Like the sun ascending through the darkness,
like a boat for the helplessly drowning,
like a rain cloud of sweet waters for the parched,
like a treasure for the impoverished,
like a physician for the deadly afflicted.
The Lord Sri Krishna is now coming to bless us with all good fortune.”

What more can I say than this? May Your Divine Grace be forever glorious and happy. Please accept my obeisances again and the obeisances of my daughter who is your daughter too, Ananda Maharani Devi Dasi. Please forgive our offences.

The servant of your servants,
Radha Krishna Dasa

All Glories to Sri Guru and Sri Gauranga.

This December 10th is the most important day for all the souls that are sunk in the darkest ignorance and suffering from the torture of the material world.

Krishna in his immense mercy to us has corresponded with one of his dearest Devotees Om Vishnupad Paramahansa Parivrajakacharyya Sri Srimad Bhakti Sundar Govinda Dev-Goswami Maharaj. He is the most sublime representative of Sri Nityananda Prabhu.

It is very difficult to describe the personality and humor of so wonderful a being. The words don't exist that can express with accuracy his transcendental characteristics. The experience of his association is the most wonderful and ecstatic thing in this world.

I thank the immense mercy of Srila Sridhar Dev-Goswami Maharaj for granting us the association of his high and dearest disciple.

I offer my humble and honest reverences to the sublime representative of the Krishna Consciousness movement. I beg for your mercy so I can surrender and serve the Vaisnavas.

All glories to Srila Govinda Maharaj, the light that guides and illuminates our path to the true meaning of existence, which is to serve the Supreme Lord Sri Krishna Chaitanya Dev.
